

# Still struggling with aging stock?

Introducing: AutoSaver's **AUTO**nomY Program™

## Identify

**value-priced inventory**  
and showcase them as  
"Market Deals" on your  
dealership website.

## Validate

**prices** with AutoSaver  
Reports and provide shoppers  
purchase reassurance of  
your asking price.

## Market

**on Craigslist, Ebay**  
and many other sites with  
purchase reassurance and  
market pricing overlays  
on each vehicle.
