

Offer your car shoppers  
**Purchase Reassurance**  
and close more deals.

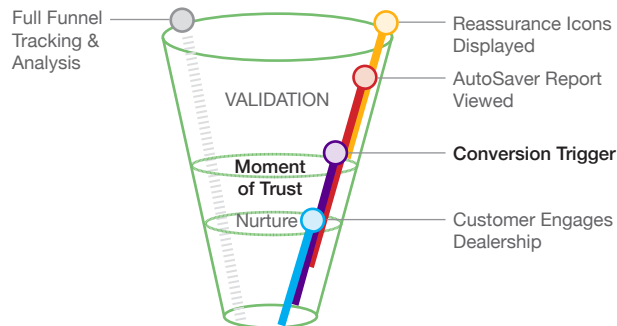

AutoSaver Reports give your dealership  
the tools necessary to convert more car  
shoppers into buyers.

## How does your dealership perform during **The Moment of Trust**?

So you're getting tons of website traffic from your marketing campaign, but how are you capitalizing on it?

AutoSaver Reports provide third-party, independent purchase reassurance to your website customers and help convert early funnel customers.

### How It Works

#### P R I C E

AutoSaver Reports independently-validate your asking prices, which reduce pencil time between potential buyers and sales staff - shortening negotiations while retaining front-end gross.

#### T R A D E

Provide shoppers an instant and accurate trade-in range directly from our reports and never have your customers leave your website for trade values.

#### I N C E N T I V E

AutoSaver Reports include your buyer incentives, rewards and gift cards, which can be customized to fit any budget.

#### F I N A N C E

Drive more finance applications through your website with our integrated loan application.

Get the #1 purchase reassurance platform for aging and value-priced inventory on your website today!
